

# Rob Crow

## Administrator – Employment Security Department

---

Rob Crow is the Administrator for the Employment Security Department (ESD) – one of the partner organizations that make up the WorkSource Spokane One Stop Center. He oversees the ESD staff and contracts at the Center and is part of a leadership team that oversees the strategic planning and implementation of the Integrated Service Delivery Model. Rob is getting used to being a recent empty nester and enjoys spending time outdoors (in the warmer months) and traveling.
